

Sea Battle

2 PLAYERS

20 MIN

HOW TO PLAY

- 01 Each player needs their own sheet. Secretly draw your fleet on MY FLEET: ships run straight across or down and may not overlap.
- 02 Take turns calling a square, like C7. Your opponent answers 'hit' or 'miss'. Mark the result on ENEMY WATERS: X for a hit, a dot for a miss.
- 03 When every square of a ship is hit, its owner says 'sunk'. Sink the whole fleet first to win.
